Local Remodeling Contractor Wins Statewide Remodeling Award

*Oregon Remodelers Association recognizes
Hueller Construction for an outstanding remodel*

Lyons, Ore. 14 MAY 2009 – [Hueller Construction](#), Inc. of Lyons, Oregon has received and Outstanding Remodeling Achievement award in an annual statewide competition held by the [Oregon Remodelers Association](#). Awards are based on criteria including ability to meet clients' needs, aesthetics, superior craftsmanship, innovative use of methods and materials, and ability to overcome difficulty. Entries were judged by a panel of ten remodelers.

Kurt Hueller of Hueller Construction says, "This is a complete honor. To be recognized by my peers who are the best in the field is incredible." Hueller's project was a residential kitchen remodel based in West Salem, for a homeowner who wanted to update his small 1940's galley kitchen without expanding the exterior walls of the home. It was imperative to the homeowner that throughout this process they keep certain elements of the 1940's architecture while updating the space with modern appliances.

In the end, the home was brought to life by taking an old, dark space and updating it to a space that is now so much brighter. The new tile backsplash, clean windows and trim, and cabinets were finished in a high-gloss bright white lacquer. "It's a work of art," says the homeowner. "We were able to find 1940's style glass for the glass cabinet doors. We installed granite counter tops and custom beech cabinets. The challenge of keeping certain elements of the 1940's architecture worked."

The project won the Outstanding Remodeling Achievement Award in the "Residential Kitchen \$30k to \$60k" category. For more information, call Kurt Hueller at 503.859.3575 or visit www.huellerconstruction.com.

About the ORA

The Oregon Remodelers Association is a chapter of the National Association of the Remodeling Industry, and is the only Oregon state trade association dedicated exclusively to the remodeling industry. Based in Portland, Oregon, the association was established in 1952, and has 480 members.
